

## GESTALT THERAPY BIBLIOGRAPHY

*This bibliography contains all the references for my definitions of Gestalt terminology, as well as many other Gestalt books. Many are from my own library and four articles are my own writing (available on this website). There are others that I have not seen or read yet, but I have heard good things about them. A number of the books are not technically Gestalt books, but I have found them to be attuned to the Gestalt perspective, approach, and values.*

Alberti, Leon Battista (15<sup>th</sup> C./1988), *On the Art of Building*, Cambridge, MA, The MIT Press.

Andrews, J., Clark, D., and Zinker, J. (1988), Accessing Transgenerational Themes through Dreamwork, *Journal of Marital and Family Therapy*, 14 (1): 15-27.
